Nine7 would like to request to have their music shared on your platform which we would give you permission to play/use on the site.

NINE7 is an African rap crew that aims to pave their way in the music industry. Comprised of rappers, producers and songwriters, the crew has consistently worked on growing their following and more importantly their sound. The music they make speaks for itself.

The latest offering called Felicia is a heavy hitting banger that revamps the "Bye Felicia" concept from the popular 90s movie Friday through witty and amazing bars and a chorus that immediately has you hooked.
